

Trine Enchanted Edition for Wii U Confirmed for March 12th Release in North America

Celebrated by the Trine Series Fan Discount!

Helsinki, Finland – March 11th 2015 – Finnish game developer Frozenbyte is delighted to announce that Trine Enchanted Edition will be released on March 12th for the Wii U system in North America, and will be priced at \$14.99. The European launch is slightly delayed, but is aimed at a nearby release window.

Trine Enchanted Edition is the origin story for the three unlikely heroes of Trine - Amadeus the Wizard, Pontius the Knight, and Zoya the Thief. Spellbound by the magical object Trine, the heroes must join forces to overcome obstacles and puzzles in a fully interactive physics-based world, battle the undead and their minions, and restore balance to the kingdom!

"We're extremely happy and excited to finally bring the origin story of the Trine series to Wii U. We've had a great reception with Trine 2: Director's Cut ever since the launch of the console," says CEO of Frozenbyte Lauri Hyvärinen, and continues: "To reward our loyal fans on Wii U, we came up with the Trine Series Fan Discount, a promotion that hopefully makes up for the delays we've had with the release!".

The Trine Series Fan Discount is a permanent price promotion in the Nintendo eShop that gives owners of Trine 2: Director's Cut 20% off the price of Trine Enchanted Edition and vice versa. The promotion will be active in the eShop in North America when Trine Enchanted Edition is released on March 12th.

Game features:

- Action and platforming in a fantasy fairytale world, featuring 15 breathtaking levels full of dangerous enemies, hazards, and physics-based puzzles
- Origin story for the three heroes – Amadeus the Wizard, Pontius the Knight, and Zoya the Thief, each with their own skills and unique abilities
- Solve challenges and puzzles in many different ways by combining the characters' abilities, and come up with creative solutions never seen before!
- Online and local co-op multiplayer for up to three players

Frozenbyte is an independent game developer with a focus on game quality. Frozenbyte was founded in 2001 and is based in Helsinki, Finland. All Frozenbyte games are self-funded and based on self-owned IP, and the company maintains a creative, feel-good development culture. Frozenbyte's number one priority is the quality of the games and the well-being of the team, with the financial side and tight deadlines taking a backseat. The passionate development method has created two well received game series – Shadowgrounds and Trine. Frozenbyte's third IP Splot launched on October 23rd 2014 and Trine 3 is currently in development.
